

MEF 589: Final Project

Vagabond - Camp

intro - 6 secs

- window - move outside to the moon
- trees moving past under moon
- road going into distance
- zoom out to sleeping face
- hair spread over pillow?
- hair becomes river
 - campfire beside flickering
- river back into road, this time through tunnel
- zoom in through tunnel, small curvy river into face
- down arm, into steering wheel
- break - everything fades out
 - suddenly reappear ~~camera~~ ~~bounces~~ in and out with ~~beat?~~
- back to moon now with stars that are twinkling on beat
- pan over to person, hair flying behind her, eyes closed, smiling
- hair turns into bird flying
- zoom out, tree cover closes over bird
- sun comes up over mountain
- ~~sun~~ sun back to sleeping face
- song ends when eyes open suddenly

could stop here if necessary
